Playing football in Barnet for over 60 years...

**EBOG FC is an
amateur football
club, based in
Barnet,
Hertfordshire /
North London**

We are members of the
Southern Amateur League
and affiliated to the
Amateur Football Alliance.

We play clubs from all over London
to compete for trophies.

Our Teams

Our Men's Section runs up to 6
Saturday league sides and a Sunday
veterans side.

We also have a Youth U15 side and
a Girls' U12 side who play on
Sundays

Our history

We started in 1948 as a football club
for leavers of East Barnet School,
but now membership is open to all.

EBOG club colours are maroon and pale blue

The football season

EBOG FC play on Saturday after-
noons between September and
May.

Which team?

In the Men's Section (16+), new
players usually start in the lower
sides but as the season continues
they are selected for different teams

The social side

EBOG is known as one of the
friendliest clubs in the League, and
with its reasonably priced bar, darts
and table-tennis, it's a great place to
relax after the game.

Voluntary Club

Being a voluntary club means
members are involved in the up-
keep and running of the Club. This
keeps the cost of membership
down and enables the Club to of-
fer schoolboys the opportunity to
play and belong for just £5 per
game.
